

Introducing Metacognitive Minds

This twilight programme is designed to introduce your teaching team to metacognition and its benefits.

The session will look at the metacognitive approach to teaching and learning, why it is effective and how to plan your lessons using metacognition.

Who is the programme for?

This programme is designed as a three hour half day/twilight session aimed at the full teaching team and will be held in your school.

Course facilitator

This session will be led by one of our Metacognition SLE team.

Claire Barnes, SSIF Metacognition Lead Practitioner, Le Cateau Primary School

Angela Campbell, Metacognition SLE, Le Cateau Primary School

Edith Gallagher, Metacognition SLE, Hipswell Primary School

Emily Bosworth, Metacognition SLE, Dishforth Primary School
